

About

The Company

Transportation and Projects (Pty) Ltd is a reputable organization that prioritizes honesty and the employment of qualified professionals in the fields of Built Environment, Civil Engineering, Electrical Engineering, Horticultural services, and Road Marking. They have successfully completed projects in Mpumalanga, Limpopo, Gauteng, North-West, and Kwa-Zulu Natal provinces, with plans for further expansion nationwide.

The company's primary goal is to bring innovation to the Built Environment, Civil Engineering, Electrical Engineering, Horticultural services, and Road Marking industries, particularly through the implementation of advanced digital reporting software and other technological solutions.

Sithembe Transportation and Projects (Pty) Ltd is duly registered with the relevant regulatory bodies in South Africa and has plans to register with additional Technology and Engineering organizations.

OUR GOAL

STP is committed to fostering inclusivity and empowerment by prioritizing the employment of women and youth, particularly those from disadvantaged backgrounds. The company also aims to provide opportunities for young graduates to enter and gain valuable experience in the Built Environment and Civil Engineering sector. Their ultimate goal is to disrupt the stagnant economic status quo in the industry, not only by creating jobs but also by establishing a platform for mutual growth and transformation.

OUR CORE VALUES

Excellent Service

We strive to exceed our clients' expectations.

Ethics And Integrity

We conduct our business with honesty and integrity.

Innovative

We are committed to innovation and creative solutions.

WE AIM TO CONTRIBUTE AND EMPOWER TO OUR COMMUNITIES

Our organization is committed to creating a positive impact in our communities by empowering individuals to achieve their fullest potential. Through our various projects, we strive to provide resources and support to those in need, whether it be through education, healthcare, or other essential services. We believe that by working together, we can make a significant difference in the lives of those around us and create a brighter future for all. Join us in our mission to empower and uplift our communities.

OUR STAFF

Our company has a technical sales and management structure which ensures administrative accountability, transparency and exceptional client service. Continual in-service training is provided by outside specialists to all technical sales and management staff. Administrative and technical control is exceptionally important to us, and we therefore ensure that all our staff are technically qualified and upholds professionalism to the highest level. The company is structured in such a way that minimizes overheads as much as possible.
